The screenshot shows the iParent web interface. The top navigation bar includes 'Home' and 'My Data'. The left sidebar contains links for '#Pass', 'Parent Access Manager', and 'Logout'. The main content area has tabs for 'Reports' and 'Documents'. Below the 'Documents' tab, there are sub-tabs for 'Available Documents', 'Archived Documents', and 'Deleted Documents'. A table lists documents with columns for Document Label, Name, Type, Student, Publish Time, Size, Comment, View, Archive, and Delete. A callout box points to the 'View' button for a document, with the text: 'Click on View to see the document'. Another callout box points to the 'Archive' button, with the text: 'Click on Archive if you want to keep the document, it will then be available under the Archived Documents tab'. A third callout box points to the 'My Data' link in the sidebar, with the text: '1. Click on My Data'. A fourth callout box points to the 'Documents' tab, with the text: '2. Click on Documents'.
