

Bus Passes and Senior/Junior Parking 2018-2019

We ask all those who intend to apply for parking at the High School for the 2018-2019 school year to adhere to the following guidelines:

Seniors in the 2018-19 school year:

- All Seniors who apply for, and meet all qualifications for parking (including having a valid driver's license) will receive a parking place. A lottery will be held by the High School, before the end of the 2017-18 school year, to determine what lot your Senior will park in. Please check the High School website for more information.

Because you will receive a parking spot, please do not purchase a bus pass with the intention of swapping it for a parking spot. You may purchase a bus pass if you will be using both parking and the bus.

Juniors in the 2018-19 school year:

- If your Junior receives his/her license prior to the first day of school, 8/29/18, a parking spot will be available. Parking for Juniors with a driver's license by 8/29/18, who apply for, and meet all qualifications for parking, will be assigned a parking spot during the first week of school. Please check the High School website for more information.

Because your Junior will receive a parking spot, please do not purchase a bus pass with the intention of swapping it for a parking spot. You may purchase a bus pass if you will be using both parking and the bus.

- If your Junior does not receive his/her license prior to August 29, 2018, we cannot be sure there will be a parking spot available when he/she applies. In this case we encourage you to purchase a bus pass for your student and to swap it out for a parking spot if one is available when your Junior receives his/her license. Please check the High School website for more information. www.hopkinton.k12.ma.us/Page/5904

We provide these guidelines as a means of holding to a minimum the number of students who purchase bus passes with the intention of swapping them for high school parking. High School/Middle School Buses run at capacity and therefore our hope is to not fill and reroute buses for students who will not be riding the bus come the first day of school.

- **In General Practice:** Bus passes may be swapped for a parking spot throughout the school year by attaching the bus pass to the application for a parking spot and submitting it at the High School.
