Student Image (Photo/Video) Restriction Form

During the year, we often take images including still photographs or live videos of students, parents, teachers, and school activities. We may include these images on school bulletin boards, in school and HPTA publications, in newspapers, newscasts, and/or on our school and district web sites. (Students' addresses and phone numbers are not included with any information posted on the web site.)

If you wish to indicate a partial or qualified restriction, please state specifics in a separate, signed letter to the Principal.
